PAGE 12 - 13

In case you couldn't match all the fishes to their names this diagram will tell you who is who

Back Page

Could you complete all the Cornish place names? Have you been to any of them before?

FISH with SITHNEY

Help Sithney catch the fish for his inn.
Match the speech bubbles to the correct fish.

LING

I have a long body with bones and white and yellow scales. Can you tell me?

It's the big fish with the pink and white scales!

PILCHARD

I look like a codfish but I'm black. That's how you tell us apart.

SCAD

We go in schools and we're yellow and green.

DOG FISH

I look like the shark family but don't be scared when you see me, I'm harmless.

SARDINE

I'm blue and silver. Can you tell me?

LANEY

I have a long body and a long tail. Can you tell me?

HAKE

I have a long body and a silver belly. Where am I?

Cornish fishermen work hard to catch fish so that in the sea we can eat them. This is called sustainable fishing, which means we can catch them for part of the year so that the fish to breed. Fishermen only target the adult fish they catch, they let the young fish go.
